

PERFECT SCORE
Bob Prince, instructor at the Torrance Bowl-O-Drome points to the lane where Boyce Buckner, left, rolled a perfect "300" score. Buckner, who has only been bowling for six months, was receiving instruction from Prince when he amassed the string of strikes.

Following a week's layoff, league play again got under way this week at the Bowl-O-Drome. There are still a few openings left, according to officials at the lanes.

In addition to the Doubles Sweeper winners, big news at the local sport center was Bob Prince's 20th 300 game.

Prince, an instructor at the Bowl-O-Drome, rolled his fourth ABC sanctioned thriller last week in league play at Van Nuys.

Prizes and awards for the city's top bowler are still being made.

STARS SEND BOB CLIFFORD TO SAN JOSE

The Hollywood Stars of the Pacific Coast League announced they have signed an 18-year-old Torrance youth to their farm club.

Bob Clifford, an outfielder, signed the contract with the San Jose club for the 1958 season.

Young Clifford was outstanding as an All-Bay League outfielder last season. He also batted .459 for the Torrance Junior Legion team.

San Jose Stepping Stone
The San Jose club is one of the sources from which the Hollywood Stars and the Pittsburgh Pirates have staffed their teams. Should Clifford make the grade with San Jose, he'll be recalled to the Stars' camp possible use in Pacific Coast League play.

MIKE CARTER

Mike Carter Voted Most Valuable

The parents of little Mike Carter can well be proud of their son. For little Mike was voted the most valuable player of the All-Star game of the only league.

Little Mike, who lives at 1039 West 225th st., was a big man at the bat in the game. He hit 4 for 5 and drove in the winning run with a triple.

However, the honors which were bestowed on Mike are most likely the ones which the Carter family will be talking about for many years to come. Mike, who is 12 years old, was accorded the honors when he was told that his sportsmanship, and his good conduct on the field of play, plus his popular spunk, were the reasons he won the award.

Softball Game Best Of Summer Season

Probably the most exciting game of the entire summer in the Girls' Softball League was played on Wednesday night at Walteria Park.

All the blue chips were riding on the outcome of this game between the K Kids and the Hotshots. It was just about as tight as a ball game can be, with the score all tied up 4 to 4 at the end of seven innings. At the top of the eighth, the K Kids scored three runs on a single by Joan Wootton, sending home the tie-breaking run, and a double by Carol Brier, which brought home two more runs.

Gave 6 Hits
The two pitchers, Marge Hartman of the K Kids, and Rosie Swartz of the Hotshots, each gave up six hits, but struck out 17 batters between them. This win leaves the K Kids in first place in the league with 10 wins and one loss, and gives them the right to play the All-Star team on Friday night.

Other Games
In other games played during the week, the Esabs were pushed hard by the last place Hamburgers, but finally caught fire in the third inning and won going away, 18 to 6.

Basebats Bounced
In the second half of the double header played Tuesday at McMaster park, the underdog Basebats gave the Duffers a real battle before losing, 11 to 8.

The fourth game of the week was a forfeit for the Bruins over the Sureshots.

Torrance Baseballers Hailed County Champs

The Torrance All Stars, a group of young baseballers from the Babe Ruth League, are the reigning champs of the county today.

Last Saturday, before a sun drenched throng of on-lookers, the Torrance All Stars swept the Tournament of Champions playoffs by a score of 19 to 2 over an all-star rival team.

The win at Roosevelt Field was the culmination of a hard battle for the Torrance team. They had to win four in a row to take the tourney and they did so in typical Torrance fashion.

Azusa, Inglewood, and Norwalk fell prey to the big bats of the locals. And as Manager Jim Challis puts it, "The boys were not to be deprived of this one."

Trophies Given
Trophies will be given to the club, when the Los Angeles Department of Recreation will honor the team with a dinner.

Harbor JC Set for Grid Wars

The call to the grid wars was issued today, as the Harbor Junior college football team was asked to report for physical exams and equipment at the gym at 9 a.m.

Practice will get underway immediately. And according to Athletic Director Selwyn Yancy, nine games are on the Harbor team's slate, plus an inter-school scrimmage with Los Angeles City college on the 20th of September.

The picture above is not really lop-sided as it might appear. Only the people pictured are lop-sided. And that's because the sort of thing they will be doing at the Water Carnival will be, more or less, lop-sided. From the top, Gary Rickard; Don Ezio, Bud Smith.

Lomita Civic League Will Hold Meeting

The next regular meeting of the Lomita Civic League will be held tonight, Thursday, September 5, in the Little Theater of the old Narbonne High school, 254th and Walnut.

The meeting will start at 8 p.m. and is open to the public. The forthcoming incorporation election will be discussed, and all Lomita residents are urged to attend and hear our side of the arguments. You need not be a member to attend. Your questions are welcome.

Huge Water Carnival Set for Saturday

The Victor E. Benstead Pool will be the scene of a huge water carnival on Friday, Sept. 6th. And judging from the line-up of acts, the carnival may be the biggest water show ever held in this region.

Aquatics Recreation Supervisor Joe Rode, said that the carnival would feature comedy acts, bathing beauties, life guard saving techniques, some mermaids thrown in for good measure, and a demonstration of fly casting... for mermaids and bass.

Controlled Swimming
Amid this conglomeration of events, spectators will be treated to demonstrations of controlled swimming in a la aquacade, in which girls will swim to the tempo of music.

Comics Too
During rehearsals for the show, Rode said that the comics were really shaping up a fine vaudeville act designed to tickle the funny bone. And

if the above picture is any indication of the sort of thing they will be doing, the whole affair promises to be a gala event. The show will start at 7:30 p.m. Tickets will be on sale at the box-office.

Rowing machines
Rowing machines are mechanical contrivances, designed to furnish indoor gymnastic exercise equivalent to rowing. The rudder is a flat wood or metal structure attached vertically to the rudder post of a vessel for changing her direction when underway.
